Agency Badges for G. Etzel Pearcy and Robert D. Hodgson,
Department of State

1. Dr. G. Etzel Pearcy and Dr. Robert D. Hodgson, Geographer and Assistant to the Geographer, respectively, Department of State, make frequent visits to the Geographic Research Area to consult on cartographic and map procurement matters. Substantial inconvenience is presently caused them and their escort by the requirement for full check in and check out at the time of each visit.

2. It is requested that special Agency badges be issued which will permit these officials to enter Building 11 and the [REDACTED] without necessity for formal sign-in and escort. Pertinent information is as follows:
